6. Selection procedure

A Selection Board is appointed by the ENISA Executive Director. The name of the Selection Board members (and/or observers, if applicable) are published on the ENISA website, once the Selection Board is established. It is strictly forbidden for the candidates to make any contact with the Selection Board, either directly or indirectly. Any infringement to this rule will disqualify the candidate from the competition.

The selection procedure comprises of three consecutive phases:

6.1 Phase 1 – Preparatory phase & screening of applications

Each Selection Board member (including the observer(s), should there be anyone) signs a declaration with regard to confidentiality. The Selection Board's work and deliberations are bound by the principle of confidentiality as per Article 6 of Annex III of Staff Regulations. The Selection Board adheres strictly to the conditions of admission laid down in the vacancy notice.

Before having access to candidates' applications, the Selection Board pre-decides on the assessment methodology under each stage of the selection process: expected indicators and marks on how candidates' applications will be assessed, interview and written test questions and duration, expected indicators and thresholds for the respective assessments, along with the reserve list ceiling.

Once having access to applications, the members of the Selection Board fill in a declaration with reference to conflict of interest and confirm that they have no conflict of interest or bias whatsoever in regard to the individual candidates.

All applications received are checked against the eligibility criteria set out in the vacancy notice.

6.2 Phase 2 – Evaluation of applications

Only eligible candidates will be further assessed by the Selection Board against the selection criteria and competences outlined in the vacancy. Candidates admitted to a previous selection procedure will not be automatically eligible.

The selection process will be based on the assessment of candidates' merits against the criteria and competences outlined in the vacancy. Therefore, candidates are recommended to give evidence of their knowledge and professional experience by using specific examples and/or detailed professional experience, specific skills, knowledge and competences in their application, in order to be evaluated in the best possible way. Selection will be made solely on the basis of the candidate's information provided in the application and the talent screening questions.

The Selection Board will carry out an objective assessment of the candidates' merits. Should the Selection Board discover at any stage in the procedure that the candidate does not meet one or more of the general or special conditions for admission to the selection procedure, or that the information on the application form does not correspond to the supporting documents, the candidate will be disqualified.

6.3 Phase 3 – Shortlisting

The applicants, who obtained the highest number of evaluation points in phase 2, are invited to undertake a written test or assignment and interview, aimed at assessing the practical application of the experience and knowledge of the candidates.

Candidates shall be informed that interviews and written tests or assignments may be organised online¹⁰. Specific instructions will be provided to shortlisted candidates.

An outcome notification will be provided to all candidates who are not invited to the next phase.

The written assignments and interviews are conducted in English. In case English is the mother tongue of an applicant, some interview questions may be asked in the language they indicate on the application form as their second EU language. Shortlisted candidates may be required to provide work-related references upon request of the Agency.

6.4 Reserve list

The activity of the Selection Board ends with the drawing of a reserve list of suitable applicants to occupy the position advertised. The reserve list is unranked and is drawn alphabetically. Candidates should note that inclusion in the reserve list does not guarantee recruitment.

¹⁰ Additionally, candidates shall be informed that the written test may be organised by a third party online and/or may be proctored.

In addition, reserve listed candidates may be asked to undergo a second interview prior to any recruitment, for which they will be informed in advance. The interview will focus on the specific match of the candidate for the specific post covering the related motivation, and relevant technical and behavioural competencies.

The reserve list will be valid until **31/12/2029**. Candidates invited to an interview will be informed by e-mail whether or not they have been placed on the reserve list. Upon completion of the selection procedure, all candidates will receive an outcome letter.

If you are included in the reserve list of suitable candidates for this selection procedure, your personal data may be shared - subject to your explicit consent - with other EU Agencies or Joint Undertakings (listed in footnote¹¹) seeking to fill similar positions. This will allow you to be considered for additional job opportunities across multiple EU Agencies and Joint Undertakings, only if needed in the future. Your explicit consent will be sought each time another EU Agency or Joint Undertaking requests access to the reserve list of suitable candidates.

The Authority Empowered to Conclude Contracts (ED) will ultimately decide on the successful candidate to be appointed to the post, based on the needs of the Agency. The appointed candidates will be asked to fill a specific form informing the Appointing Authority of any actual or potential conflict of interest¹².

If an offer letter is issued, the candidate must undergo a compulsory medical examination to establish that they meet the standard of physical fitness necessary to perform the duties involved and the candidate must provide original or certified copies of all relevant documents that prove the educational and professional qualifications stated in their application.

9. Requests, Complaints and appeals

Candidates, who consider that their interests have been prejudiced by any decision related to the selection procedure, can take the following actions:

9.1 Requests for feedback

Candidates to a selection procedure can request feedback regarding their results **within ten (10) calendar days** from the communication of their results. They should expect to receive an answer from ENISA at the latest within fifteen (15) working days from the request. Please note that the request for feedback does not extend the deadlines to submit a request for internal review or administrative complaint under Article 90(2) of the Staff Regulations.

Candidates should send an email to the following email address recruitment@enisa.europa.eu clearly indicating on the subject line: "Request for feedback of (name of candidate) for the vacancy notice reference number (vacancy notice reference number)" and clearly stating their request on the content of the email.

9.2 Requests for internal review of the decisions taken by the Selection Board

Candidates, who feel that an error has been made in relation to their non-admission to the selection procedure (i.e., not eligible) or to their exclusion from the selection procedure (i.e., not invited for an interview/written test) may request a review **within ten (10) calendar days** from the date on which they are notified about the decision. Requests for internal review may be based on one or more of the following reasons:

- i) a material irregularity in the competition process;
- ii) non-compliance, by the Selection Board or ENISA, with the Staff Regulations and relevant implementing rules, the vacancy notice, its annex and/or case-law.

Please note that candidates are not allowed to challenge the validity of the Selection Board's assessment concerning the quality of their performance in a test or the relevance of their qualifications and professional experience. This assessment is a value judgment made by the Selection Board and disagreement with the Selection Board evaluation of the tests, experience and/or qualifications does not prove that it has made an error. Requests for review submitted on this basis will not lead to a positive outcome.

Candidates should send an email to the email address recruitment@enisa.europa.eu, clearly indicating on the subject line: "Request for internal review (name of candidate) for the vacancy notice reference

number (vacancy notice reference number)". The candidates shall clearly indicate the decision they wish to contest and on what grounds. **Requests received after the deadlines will not be taken into account.**

Candidates having requested a review will receive an acknowledgment of receipt within fifteen (15) working days. The instance, which took the contested decision (either the Selection Board or ENISA), will analyse and decide on the requests and candidates will receive a reasoned reply in accordance with ENISA's Code of good administrative behaviour as soon as possible. If the outcome is positive, candidates will be re-entered in the selection procedure at the stage at which they were excluded, regardless of how far the selection has progressed in the meantime.

9.3 Administrative complaints

Candidates to a selection procedure, who consider they have been adversely affected by a particular decision of the Selection Board, have the right to lodge an administrative complaint, within the time limits provided for, under Article 90(2) of the Staff Regulations to the Executive Director of ENISA. A complaint can be submitted against any decision, or lack thereof, that directly and immediately affects the legal status as a candidate. Candidates should note that a complaint to the Executive Director against a decision of the Selection Board cannot result in overturning a value judgment made by the latter related to the scores given to candidates' assessment of the relevance of their qualifications and professional experience and of their performance in a test.

Candidates shall submit an email to the following email address recruitment@enisa.europa.eu clearly indicating on the subject line: "Complaint under Article 90(2) of the SR of (name of candidate) for the vacancy notice reference number (vacancy notice reference number)". Complaints shall be addressed to the Executive Director of ENISA, Ethnikis Antistaseos 72 & Agamemnonos 14, Chalandri 15231, Attiki, Greece. Please note that appeals against decisions taken by ENISA will not be admissible before the General Court, unless an administrative complaint under Article 90(2) of the Staff Regulations has first been submitted and rejected by express decision or by implied decision.

The General Court has consistently held that the wide discretion enjoyed by Selection Boards is not subject to review by The General Court, unless rules, which govern the proceedings of Selection Boards, have been infringed. For details on how to submit an appeal, please consult the website of the Court of Justice of the European Union: <http://curia.europa.eu>.

Statute. Before submitting a complaint to the Ombudsman, candidates must first make the appropriate administrative approaches to the institutions and bodies concerned.

Please note that complaints made to the Ombudsman have no suspensive effect on the period laid down in Articles 90 (2) and 91 of the [Staff Regulations](#) for lodging complaints or for submitting appeals to the General Court pursuant to Article 270 of the [Treaty of the Functioning of the European Union](#). Please note also that under Article 2(4) of the [General conditions governing the performance of the Ombudsman's duties](#), any complaint lodged with the Ombudsman must be preceded by the appropriate administrative approaches to the institutions and bodies concerned.
